ABOUT

Princess 58 Flybridge

LOCATION

Lake Macquarie Shire, New South Wales, Australia

Introducing the stunning 2008 Princess 58 Flybridge, a yacht that perfectly blends luxury, power, and style . With twin 850hp CAT C15 engines and shaft drives, this vessel reaches a top speed of 30 knots , offering an exhilarating performance on the water. The precise handling is enhanced by dual helm controls , Sidepower bow and stern thrusters , and a Yacht Controller , making it a dream to maneuver, even in tight spaces.

Step aboard and discover a spacious, well-designed cockpit featuring a large U-shaped seating area —perfect for relaxing or enjoying meals al fresco. This area seamlessly transitions to a hydraulic teak swim platform , ideal for easy access to the water and for tender storage. The flybridge is an entertainer's paradise, offering ample space and luxurious seating for enjoying the sun or hosting guests.

Below deck, the Princess 58 boasts a well-thought-out layout, including a full-beam master suite , a VIP cabin with an island bed , and a twin-berth cabin , as well as a crew cabin for added convenience. This yacht comfortably accommodates up to seven guests , making it perfect for family getaways or group cruises. Each cabin is equipped with independent climate control and entertainment systems , ensuring a customized and comfortable onboard experience.

Recent upgrades include the installation of a fully integrated navigation and camera system , with a 12-inch Axiom display and a new sonar module, ensuring you’re always on track. The flybridge and cockpit have received new upholstery and covers , enhancing both comfort and style, while the galley has been upgraded with a full-height fridge for added convenience.

This Princess 58 Flybridge 2008 is an ideal choice for those seeking a combination of luxury, performance , and comfort . Whether you’re cruising at high speeds or relaxing in style, this yacht promises an unforgettable experience on the water.

Don’t miss out on the chance to own this exceptional vessel. Contact us today for more information or to arrange a viewing!
