ABOUT

Princess F55 (F55068)

LOCATION

Vollen, Akershus, Norway

On behalf of our client, we are pleased to offer this beautifully presented and exceptionally well-equipped Princess F55 for sale.

If you are looking for a modern, spacious and elegant Princess flybridge yacht, this 2019 Princess F55 represents an excellent opportunity.

The Princess F55 is one of the shipyard's most popular flybridge models, combining elegant exterior lines, generous living spaces and exceptional comfort with the quality and attention to detail for which Princess is renowned. Equally suited to extended summer cruising or relaxed weekends with family and friends, the F55 offers an outstanding combination of performance, comfort and practicality.

The spacious cockpit provides a welcoming social area with generous seating, ideal for alfresco dining and long summer evenings on the water. From here, the layout flows naturally into the galley and saloon, creating a seamless connection between the interior and exterior living spaces.

Inside, the bright and elegant saloon features comfortable seating and large panoramic windows, providing excellent views and an abundance of natural light. Opposite the main seating area, the television is discreetly concealed within the cabinetry and electrically raised when required.

The helm is modern and exceptionally well equipped, featuring a comprehensive navigation package and glass cockpit. 16-inch Volvo/Garmin displays are fitted at both the lower helm and flybridge, complemented by radar, autopilot and a reversing camera. Joystick control makes close-quarter manoeuvring and docking straightforward and comfortable.

The flybridge is one of the highlights of the F55 , offering a generous social area, comfortable helm position and a well-equipped wetbar with grill – the perfect setting for enjoying long days at sea with family and guests.

Below deck, the yacht offers three beautifully appointed cabins and two bathrooms . The impressive full-beam master cabin benefits from large hull windows on both sides, creating a remarkable feeling of space and bringing

plenty of natural light into the interior. Both bathrooms are also equipped with underfloor heating for additional comfort.

A hydraulic hi-lo bathing platform provides easy access to the water and makes launching and recovering a tender or personal watercraft considerably easier.

This is a very well-maintained and comprehensively equipped Princess F55 , combining generous accommodation, modern technology and excellent onboard comfort.

The yacht is registered in the Norwegian Ship Register. She has been stored indoors every winter.

Please contact us for further information, full specification or to arrange a viewing.
