ABOUT

Lawless

LOCATION

Mystic, Connecticut, United States

The all-new Princess F62 encapsulates our meticulous design ethos and all the benefits of the latest infusion technology, enabling the inclusion of features normally possible only on much larger craft. Her flybridge inspires relaxation with a large dining area, a sunpad aft and a unique circular forward seating area that can be converted into an additional sunpad. Boasting a walkthrough foredeck entertaining space and a hydraulic bathing platform as standard she is an ingenious and compelling addition to our F Class range.

Her cavernous main deck saloon connects to the world outside through full length side windows, while her sociable galley is positioned aft and opens to the cockpit. The helm position is located to starboard with additional forward facing guest seating opposite. Below deck six guests enjoy three beautifully appointed en suite cabins all bathed in natural light from elegant hull glazing, with the option of a further twin cabin aft for occasional guests or crew.
