NEW ARRIVAL

Introducing the 2019 Princess F62 Flybridge Yacht, a stunning vessel that presents a rare opportunity to own a meticulously upgraded, low-hour luxury yacht expertly managed for the tropical climate of Florida. This particular Princess F62 is equipped with an array of premium features and recent enhancements, making it a standout choice in its class.

Crafted for both luxury and performance, this Princess F62 boasts a sleek design and spacious layout, ideal for cruising in style and comfort. With a professionally managed service history and a recent comprehensive sea survey, prospective owners can rest assured of its top-notch condition and seaworthiness.

One of the standout features of this yacht is its thoughtful layout, which includes three luxurious staterooms and an additional aft crew cabin, providing ample accommodation for guests and crew alike. The spacious flybridge offers panoramic views and is equipped with state-of-the-art Raymarine Electronics, ensuring smooth navigation and enhanced safety on the water.

Enhancing stability and comfort during cruising, this Princess F62 is equipped with a Sea Keeper Gyro and Humphrey Active Roll Stabilization system, minimizing roll and ensuring a smooth ride even in choppy seas. Maneuvering in tight spaces is made effortless with bow and stern thrusters, while an aft docking station adds convenience when mooring.

For added luxury and convenience, this yacht features a 1200 GPD water maker, allowing for extended stays at sea without the need to replenish water supplies. Custom upgrades such as a bow shade with carbon fiber poles and Xpel window film for UV/heat protection ensure both comfort and style.

Designed for versatility, this Princess F62 is equipped with an Asea frequency converter, enabling seamless transition between different power systems and allowing for use in both the Mediterranean and the US/Bahamas regions. Additionally, the yacht comes with a crew cabin aft, white hull, underwater lights, and an allure package, further enhancing its appeal.

Key Features:

• All services are current with a recent haul for survey.

• Equipped with Sea Keeper Gyro and Humphrey Active Roll Stabilization.

• Features both bow and stern thrusters for enhanced maneuverability.

• Includes a 1200 GPD water maker and aft docking station.

• Custom bow shade with carbon fiber poles and Xpel window film for UV/heat protection.

• Asea frequency converter allows versatility for Mediterranean or US/Bahamas use.

• Crew cabin aft, white hull, underwater lights, and allure package.
