This 2024 Princess Y72 is a striking example of modern British yacht design, blending precision engineering, refined craftsmanship, and confident performance in a truly standout package. Meticulously maintained since delivery, she reflects a no-compromise approach to ownership and care. Powered by twin MAN Vl21650 HP engines, with only 353 hours, she delivers powerful yet composed performance with smooth, efficient cruising and excellent handling. Sleipner Vector Fin stabilization ensures an exceptionally quiet and stable ride, whether underway or at anchor-ideal for long passages or relaxed days on the water.

Step aboard and experience a yacht thoughtfully outfitted with premium upgrades and cutting-edge technology. A fully enhanced Garmin navigation suite, Garmin Surround View camera system, and a high-end multi-zone Nairn audio-visual system provide seamless control and entertainment throughout the vessel, with TVs in every cabin and social space. Her interior is warm and contemporary, finished in satin walnut and complemented by Carrara White flooring in the heads, solid-surface countertops in the galley and bathrooms, and refined detailing throughout.

Designed for extended cruising and effortless living aboard, features crew accommodations, expanded refrigeration, dedicated laundry appliances, advanced climate control, and a versatile guest cabin that converts to an office when needed. Balancing luxury, performance, and practicality, delivers a flagship-level yachting experience in a sleek 72-foot platform-perfect for owners who value sophistication without sacrificing adventure.
