Princess Y72 “SOLOMON” – 2025 – 230 engine hours

Location: Trogir, Croatia

2*MAN V12-1650 hp with 230 hours

Delivered new to the current owner directly from Princess Yachts in Plymouth in summer 2025, M/Y Solomon represents one of the freshest Princess Y72 examples available today — still under factory warranty until 2027 , with 230 hours on her twin MAN V12-1650 hp engines . The owner simply wishes to upgrade.

Her specification includes most of the desirable factory upgrades:

– Hydraulic fin stabilizers for comfort at sea and at anchor

– Williams SportJet 395 Tender on hydraulic swim platform

– Full teak decks (side decks, flybridge, platform)

– Lumishore underwater lights

– Premium sound system

– Raymarine navigation

– Miele and Bosch appliances throughout, incl. wine cooler

– Bow & Stern thrusters , 3rd (aft) control post

– Hydraulic gangway , folding awning, custom lighting package

With a top speed of 35 knots and cruising at 30 knots , Solomon offers fast, quiet, and comfortable stabilized passages. Her 4 ensuite guest cabins include a full-beam master suite , VIP forward, and two convertible twins

— ideal for families or guests. Aft crew quarters accommodate two, with private access. All with the refined style for which Princess Yachts are known.

The interior by Princess Design Studio reflects the newest generation of Princess style — open-plan, flooded with natural light, and beautifully detailed in warm wood and leather. Every element feels considered, fresh, and contemporary — as it should on a 2025 model.

Currently berthed in Trogir , just 20 minutes from Split International Airport (SPU) or 1.5 hours from Zadar, she's ideally located for convenient inspections and immediate cruising in the Mediterranean.

If you are comparing Sunseeker 75 Yacht , Ferretti 720 , Azimut 72 Fly , or Sanlorenzo SL78 , you'll find the Princess Y72 to be one of the most balanced options in this class — combining luxury, build quality, and seakeeping in a yacht that truly feels modern.
