NEW ARRIVAL

JUST DELIVERED FROM THE FACTORY

Introducing the stunning 2027 Reef Runner 280, a remarkable center console boat that combines performance and elegance. With an overall length of 28.4 feet, this vessel is expertly crafted from durable fiberglass, ensuring longevity and resilience on the water. Powered by two robust Mercury 300 Vera's engines, it delivers an exhilarating cruising speed of 40 mph and can reach a maximum hull speed of 60 mph, making it perfect for thrilling adventures. Equipped with an electric windlass, the Reef Runner 280 enhances your boating experience with convenience and ease. The thoughtfully designed layout includes a well-appointed head, ensuring comfort during your excursions. This new model is ideal for those seeking both style and functionality, making it a standout choice for any boating enthusiast. Embrace the open waters with confidence and sophistication aboard the Reef Runner 280.

Manufacturer Provided Description The Reef Runner 280 Series center console boat represents the best in marine engineering, combining exceptional craftsmanship with unmatched versatility. Built for both serious sport fishing enthusiasts and families seeking coastal adventures, this 28-foot vessel delivers superior performance in both rough seas and calm waters.
