Condition Matters! This 2016 Regal 35 Sport Coupe is in Pristine condition, and she looks like a new boat. Transparency is a luxury-class cruiser with a single level cockpit floor which makes it easy to move around when underway. The full width hard top slides open automatically like a sun roof, and the fully enclosed cockpit is air conditioned for comfort. A slide-away back seat extends aft at the push of a button to create a large sun pad. Three steps below deck there is a full galley to port, an L-Shaped leather sofa to starboard, another sofa to port, a forward cabin, an aft cabin, and a head to port with a shower. The seatback of the forward sofa lifts automatically to convert the forward berth into a queen size bed. The galley features a two burner cooktop, refrigerator, microwave oven, stainless steel sink, and Corian countertop. There is a removable teak table for dining in the salon and another removable dining table in the cockpit. This boat has only been slept on one time so the interior is in like new condition.

The twin Volvo 220hp Diesel engines offer a cruising speed of 25 knots with top speed in the mid 30's. The duo-prop stern drives and Joystick control makes it easy for the captain to maneuver the vessel. The Joystick will allow you to spin in a circle or move sideways for easy docking. When anchored out, there is a Kohler 7.5kw generator allowing both A/C units to keep the cockpit and cabins nice a cool in the summer. Here are a few key selling points:
