ABOUT

Opulence

LOCATION

Rhodes, South Aegean, Greece

A true icon of Italian craftsmanship, the Rivarama Super embodies the essence of Riva's heritage, combining timeless design with exhilarating performance and refined onboard comfort. Often described as a "floating suite," she offers an exceptional balance between luxury day cruising and elegant weekend escapes.

Powered by twin MAN engines, she delivers impressive performance with cruising speeds in the mid-30-knot range, while her layout provides comfortable accommodation for owners and guests, complemented by high-quality materials and exquisite finishes throughout, including signature mahogany and teak detailing.

The yacht has recently undergone an extensive program of works and upgrades, including a full recovery of all gelcoat surfaces on both sides of the yacht, a complete new paint application, and the installation of a brand new teak deck. All exterior upholstery has been replaced with new fabric, enhancing both aesthetics and comfort on deck.

In addition, she benefits from significant technical upgrades, most notably the installation of a brand new Kohler 9 EOZD 9kW generator as a direct drop-in replacement requiring no modifications. The yacht also offers the added reassurance of warranties, including four years on the engines and two years on electrical systems.

This yacht represents a compelling opportunity for a discerning owner seeking a vessel with strong pedigree, recent refit investment, and immediate usability in the Mediterranean.
