ABOUT

G

LOCATION

Fort Lauderdale, Florida, United States

The 2020 Riva Argo G is a striking fusion of heritage, performance, and design sophistication. Her bold exterior styling, sun-soaked interiors, and dynamic layout make her equally suited for intimate cruising or stylish entertaining. Built by one of the most respected names in yachting, G stands as a true testament to the enduring legacy of Riva—crafted not just to cruise, but to be remembered.

From every angle, G exudes presence. Her sleek, low-profile silhouette is accentuated by the gleaming white hull and bold black accents, a visual testament to Riva's bold yet refined design philosophy. Her flowing lines, expansive glazing, and sculpted superstructure strike the perfect balance between sporty aggression and classic elegance.

Step inside and you're immediately immersed in natural light. The salon is surrounded by full-height glass windows that dissolve the boundary between interior and sea, creating an airy, open ambiance that evolves with every hour of the day. The layout is designed for both relaxation and entertaining—featuring a spacious lounge area aft, a formal dining space amidships, and seamless access to the aft deck through sliding glass doors.

Rare for her size, G features a full-beam master suite on the main deck, offering panoramic views, a private en-suite with walk-in shower, and a walk-in wardrobe. Below deck, the guest accommodations include:

- A full-beam VIP suite with full-sized bed and en-suite
- A forward VIP stateroom with a full-sized bed en-suite
- A twin cabin to port, which can convert to full, ideal for guests or children

All guest cabins include en-suite bathrooms and share the same refined styling and generous headroom found throughout the yacht.

Equipped with twin MTU 12V 2000 M96L engines, G cruises effortlessly at 21 knots and reaches speeds up to 26 knots. Stabilizers ensure comfort at anchor and underway, while her planing hull delivers the agility and responsiveness Riva is known for. Whether island-hopping or covering longer distances, she offers exhilarating performance without compromising on comfort.

G has been maintained impeccable and upgraded by a diligent Owner and captain.
