ABOUT

Noi

LOCATION

Cannes, Provence-Alpes-Cote-d'Azur, France

Built by Riva in 2020, NOI is a highly specified. She is powered by twin MTU 16V 2000 96 engines delivering a top speed of 30 knots and cruising speed of 22 knots. With a waterline length under 24m, she's engineered for owner-operation and agile coastal cruising.

Exterior spaces are arranged for practical use and guest enjoyment. The flybridge includes a helm station, dining table, wet bar, sun loungers, and seating areas. Forward, the foredeck features a sunpad, while the aft deck supports alfresco dining. The electro-hydraulic swim platform is teak-finished, and an aft garage can accommodate a Williams SportJet tender and Jet Ski.

Stability is enhanced by a dual Seakeeper gyroscopic system (SK9 & SK16). Additional systems include upgraded navigation and AV equipment and tropical-spec air conditioning.

Interior spaces follow a clean, contemporary Italian style, with high-quality woods, Calacatta Austral marble, and panoramic windows for natural light. The main salon features a lounge area aft and a glass dining table for eight. The galley is equipped with Miele appliances and laid out for professional use.

Guest accommodation includes four cabins for eight guests, supported by two crew cabins for four crew. The on-deck master suite is full-beam, with large windows, centerline bed, storage, vanity, and a private en-suite. Below, a full-beam VIP cabin, one convertible twin/double cabin, and an additional double cabin each include en-suites, storage, and entertainment systems.

Finished in metallic Regal Silver, NOI is among the more extensively specified yachts in the Riva Argo 90 series.
