ABOUT

Blueprint

LOCATION

Seattle, Washington, United States

The 2012 Riviera 53 Enclosed Flybridge is a beautifully crafted Australian-built cruising yacht that seamlessly blends offshore capability, luxury accommodations, and exceptional performance. Powered by triple Volvo Penta IPS600 diesel engines with joystick docking, she delivers impressive efficiency, confident handling, and effortless maneuverability whether cruising the coastline or navigating tight marinas.

Designed for extended cruising and entertaining, the spacious enclosed flybridge offers outstanding visibility and all-weather comfort, while the open salon and well-appointed galley create an inviting atmosphere for family and guests. Below deck, a luxurious three-stateroom, two-head layout provides comfortable accommodations highlighted by a full-beam master suite, generous VIP stateroom, and private guest cabin.

Built with Riviera's renowned solid fiberglass hull construction and exceptional attention to detail, this 53 Enclosed Flybridge combines premium craftsmanship, dependable engineering, and timeless styling. Whether exploring the San Juan Islands, cruising the Inside Passage, or enjoying extended weekends aboard, she offers the ideal balance of performance, comfort, and reliability for discerning owners.
