ABOUT

In Six

LOCATION

Miami, Florida, United States

BORN TO CHALLENGE THE LIMITS

Speed and elegance.

Dynamism and design.

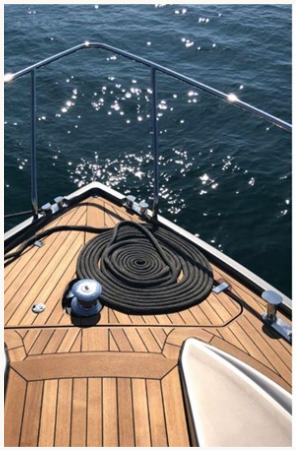

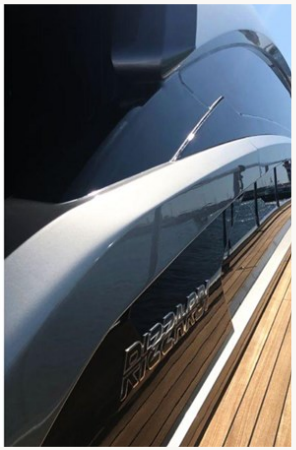

A speed of up to 50 kn and over 120 customizable options.

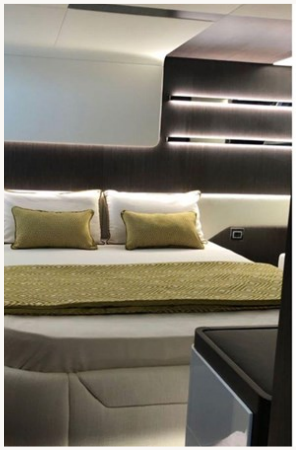

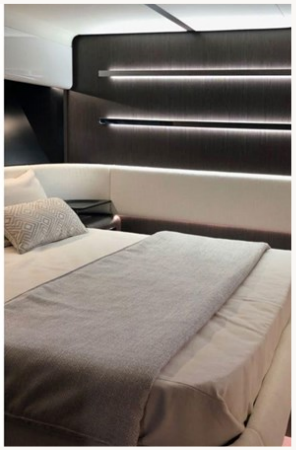

The new INsix brings together perfection, exceptional performance and comfort.

For people who want to challenge the limits.

The layout reflects that of an open yacht with a large open hard-top leading to a large glass door separating the below-deck spaces. When left open, the design highlights a large continuous area between the external and internal environments.

Regarding the technical aspects, it can be powered by either twin MAN 1,200hp or twin MAN 1,550hp diesels, both driven through the innovative Top System surface transmissions which, supported by the Easy-trim system and joystick control, will guarantee not only excellent high-speed performance, but also unrivalled low-speed handling for a surface-driven craft.
