ABOUT

Marsal

LOCATION

Fort Myers, Florida, United States

A classic Rybovich express sportfish which has a cold molded mahogany and epoxy hull and went through a total refit/repower in 2017. Her Cummins 600hp QSCs are a great, low hour, power package which allows easy 25 knot cruising with reasonable economy. The 2017 refit, which was extensive, including complete rewiring, new fuel tanks, engine room stripped and everything new. A full exterior paint and complete brightwork strip and varnish. The cockpit had new teak and subdeck. Heavily insulated fish box added and all hatches are guttered and drained into a new scupper system. Also added in 2017 a new bow rail and stainless anchoring system. Interior was updated including new wall coverings, appliances, plumbing and more. Teak cockpit coverboards with rounded teak coaming were new in 2022. New Rupp outriggers in 2023 plus fresh hull paint. It's rare to find a beautiful classic which has had this level of detail throughout.
