ABOUT

First Light

LOCATION

Portsmouth, Rhode Island, United States

FIRST LIGHT has been highly customized with countless upgrades and improvements

not seen on any sistership. Her owner who came from a much larger

boat setup FIRST

LIGHT at significant expense as a reliable and comfortable home afloat dockside and at anchor in remote areas for cruising between south Florida

and Maine annually. Further,this broker cannot

imagine a higher

level of ongoing maintenance. Her distinctive Whisper Gray

topsides and sport white decks with contrasting smoke nonskid is simply stunning.

FIRST LIGHT features

ZEUS Pod drives and reliable CUMMINS engines with the

Skyhook system allowing the

boat to maintain a fixed position,

despite current

and winds at just a touch of a button.

This comes in handy when waiting for a bridge

or when waiting

for a fuel dock to freeup and even picking

up

a mooring. Full control maneuvering is enabled by the ZEUS drive system with steerable pod drives

which can independently steer to control the vessel's heading,

position and maneuvering.The Skyhook is

integrated into the yacht's

navigation electronics, autopilot and

trim tabs. Two separate vessel

view displays to monitor

engine, generator, and boat systems.

At 22 knots

and a full load, FIRST LIGHT burns just 1.1 GPM.
