2019 Sailfish 360 CC

The 2019 Sailfish 360 CC is an impressive offshore center console that combines serious fishing capability with the comfort and versatility needed for entertaining family and friends. Powered by triple Yamaha 300-horsepower outboards with only 740 hours , this 360 CC offers an excellent balance of performance, reliability, and offshore range.

This boat is exceptionally well equipped for the serious angler. Taco outriggers make it ready for offshore trolling, while 20 rod holders provide ample storage and quick access for a full arsenal of fishing setups. Two dedicated livewells keep bait ready throughout the day, making this 360 CC equally at home chasing pelagics offshore or fishing closer to the coast.

The helm is designed around modern navigation and situational awareness, featuring four Garmin screens that provide an impressive amount of information and control at the captain's fingertips. The Optimus steering system delivers precise, responsive handling and makes managing the triple-engine setup smooth and effortless.

When the fishing is done, the 360 CC transitions easily into a comfortable day boat. With seating for up to 14 people , there is plenty of room for family and guests without sacrificing the boat's serious fishing functionality. The boat has also received new upholstery on the coaming pads and seat backs , giving the cockpit a fresh, updated appearance and adding to the overall comfort.

With triple Yamaha 300s showing just 740 hours , four Garmin displays, Taco outriggers, two livewells, 20 rod holders, Optimus steering, seating for 14, and refreshed upholstery, this 2019 Sailfish 360 CC is a well-equipped, versatile offshore platform that is ready for its next owner and its next adventure.
