ABOUT

Sailfish 242 Cc

The 2021 Sailfish 242 CC is built for versatile adventures around Brick Township, NJ, from fishing Barnegat Bay to relaxing by Windward Beach Park. Twin Yamaha F150XCA engines, full digital instrumentation, and hydraulic steering with tilt wheel and power knob provide confident handling whether you're exploring the Metedeconk River or docking downtown.

Enjoy a smooth, stable ride thanks to the Sailfish Variable Deadrise Stepped hull, carbon fiber and Kevlar-reinforced construction, and robust SailTech composite transom. The cockpit features dot-matrix non-skid flooring, stainless split low-profile bow rails, an anchor management system, and plenty of recessed cup holders for your crew.

Inside, comforts include forward helm seating, an LP1 leaning post with flip-up bolsters, bow seating, and a lockable console/head compartment with freshwater sink, vanity, and head compartment lighting. Fish with ease using the 30-gallon transom livewell with LED lighting, and add a soundtrack to every outing with the Fusion/Wet Sounds stereo and USB port. The 12V accessory outlet and VSR battery charging keep all your systems powered for whatever adventures the Jersey Shore brings.
