ABOUT

San Lorenzo Sl 72

LOCATION

Mugla, Mugla, Turkey

*4 cabin 1 master 1 double 1 twin 1 single

*Ultra good condition

*moving platform

The layout of this SL72 was envisioned by interior designer, Marty A. Lowe. She created a Zen-like casual atmosphere to celebrate the serenity of life on the water. Particular attention was given to creating an open, barrier-free living area utilizing the available space to its greatest advantage. The salon is adjacent to an open upper level dining/lounge area. The galley can be open and accessible to the entire main salon or it can be closed off by raising a unique tempered glass hydro-electric privacy panel. The overall combined space was designed to graciously accommodate a large family or multiple guests in a casually elegant environment.

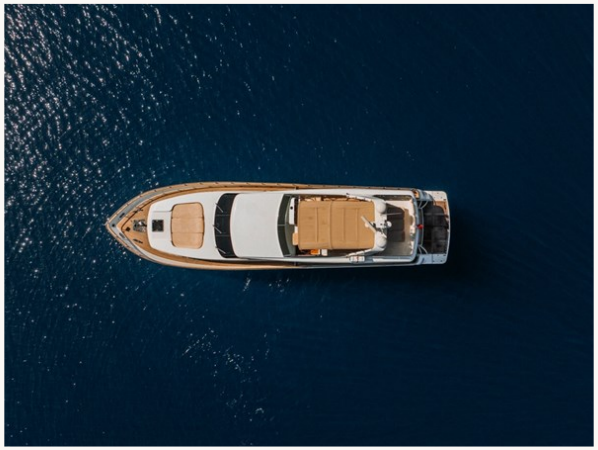

The spacious master stateroom is located mid-ship. Going forward are two twin staterooms to port and starboard, and further forward is the VIP stateroom. All four staterooms feature ensuite heads.

Exterior spaces are created for sunbathing, dining and socializing. Her large flybridge is perfectly suited to entertaining and enjoying the fresh air. A flybridge davit was deleted, and the tender was relocated to the swim platform on a hydro-electric lift.

Throughout the yacht, carefully chosen appointments are reminiscent of, and inspired by, the celebrated spirit of the sea.
