Sal

Saint-Tropez,
Provence-Alpes-Cote-d'Azur, France

SAL is a luxury motor yacht designed to provide the highest standards of liveability with new solutions introduced both externally and internally that give a totally revised perception of space.

The exterior design, penned by the Zuccon International Project studio, is the result of a complex stylistic research that finds a perfect balance in the shapes and volumes. The interior design of SAL is curated by Patricia Urquiola who interprets the spaces, bringing her own vision on board with an approach closely linked to transformability. The Owner stateroom in the main deck forward, two VIP cabins in the lower deck amidship and also have a family room with a private bathroom that can be convertible in a twin cabin or double cabin with an extra pullman bed. All cabins are ensuite.
