ABOUT

Percal

LOCATION

Fort Lauderdale, Florida, United States

PERCAL is a refined Sanlorenzo SL104 designed by Francesco Paszkowski, combining clean Italian design with generous living spaces and a layout designed for comfortable time on the water. Her expansive windows bring natural light into the main salon, while the thoughtful connection between her interior and exterior spaces creates an open, inviting atmosphere throughout.

At 105' (32.16m) with a 7.04m beam and 199 GT, PERCAL offers impressive volume for her size. Her five-stateroom layout accommodates up to 10 guests, with four wet heads and two dry heads. The spacious main salon, fully equipped galley, and expansive outdoor areas provide plenty of space for both relaxed cruising and entertaining.

Twin MTU 2,400 HP engines give PERCAL a top speed of 28 knots and a comfortable cruising speed of 22 knots, with a 400-nautical-mile range. Meticulously maintained, she offers the performance, volume, and distinctive design that define the Sanlorenzo SL104.

Not available for sale to U.S. residents while in U.S. waters.
