ABOUT

Losand

LOCATION

Miami, Florida, United States

Constructed in 2005, M/Y LOSAND exemplifies the perfect combination of robustness, elegance, style, and comfort. After two decades of uninterrupted success, the SL82's remarkable production run had finally come to an end when the SL86 model series was unveiled during Dusseldorf's International Boat Show back in 2015. Phrasing the SL82 model series as a "highly sought-after yacht" during its production run from 1995-2015, has only proved to be understatement now in present times, hence her scarcity in the marketplace. Being that M/Y LOSAND is the only SL82 actively for sale in the Americas, take advantage of this rare opportunity to become apart of a brand that embodies opulence, innovation, fine craftsmanship, and yachting excellence...but without having to break the bank.
