ABOUT

One Sixteen

LOCATION

Monte Argentario, Tuscany, Italy

ONE SIXTEEN is an example of Sanlorenzo's SL86, a flybridge model that has proved one of the shipyard's most popular, with exterior lines by Officina Italiana Design. For buyers seeking a motor yacht for sale in this segment, she combines the model's established reputation for private cruising with continuity of ownership from new and EU VAT already paid.

Beyond the Owner's suite, the accommodation comprises a VIP stateroom forward and two twin guest staterooms. The twins add flexibility for families travelling with children or for groups of friends, while the separation between the Owner's suite and the VIP gives each its own sense of privacy. Large windows bring natural light into a contemporary Italian interior.

Life on deck is arranged across several distinct areas. The aft cockpit is set up for alfresco dining, and a seating area at the bow provides a quieter place to relax and sunbathe away from the main social spaces. Above, the flybridge forms a second major outdoor living level, with its own dining and lounging areas and a wet bar fitted with a Teppanyaki grill, refrigerator and ice maker, allowing meals and drinks to be prepared where guests are gathered.

Power comes from twin MTU 12V 2000 M96L engines, giving a cruising speed of approximately 22 knots. CMC fin stabilisers improve comfort underway, while bow and stern thrusters assist manoeuvring in port. A Williams jet tender provides transport ashore.
