ABOUT

Essenza

LOCATION

Seattle, Washington, United States

This low hour SL86 is ready to go now and have been outfitted by a knowledgeable owner.

The only San Lorenzo SL86 available on the West Coast. The SL86 yacht represents the brand's extensive experience in yacht building, blending traditional design with innovative features and offering extensive customization options. The yacht's design includes strategically cut bulwarks that enhance the side windows, allowing an abundance of natural light into the salon and providing unobstructed sea views even from the sofa.

The salon itself is notably spacious and bright, maintaining Sanlorenzo's classic aesthetic while injecting a sense of modernity. Aesthetically, the SL86 stands out with a unique stairway design leading to the flybridge, featuring steps flanked by plate glass, creating a visual effect of floating stairs. This design element transforms the staircase into a striking sculptural piece within the salon, period.

The SL86 can accommodate up to eight guests and three crew members.

It is powered by twin MTU 12V engines, each producing 2,000 horsepower, allowing the yacht to reach a maximum speed of 32 knots. This combination of style, performance, and comfort makes the SL86 a notable model in its category
