Welcome aboard SEVEN, an exceptional 2022 Sanlorenzo SL90 Asymmetric (SL90A) available for sale in the Balearics. =å

Designed by Bernardo Zuccon, the SL90A redefines modern yacht architecture. By eliminating the portside walkway, Sanlorenzo created a wide-body main saloon with unmatched volume, floor-to-ceiling windows, and living spaces typically reserved for 30m+ vessels.

At 27.60m with a shallow 1.93m draft, SEVEN delivers the perfect balance of superyacht volume, low-season efficiency, and high-speed performance (top speed of 29 knots via twin MAN V12-2000 engines). She also features a proven charter track record, offering immediate ROI potential for prospective owners.

Watch the full walkthrough to explore her main deck master suite, private bow hideaway, and lower-deck accommodation setup.
