ABOUT

Chameleon

LOCATION

Aventura, Florida, United States

CHAMELEON is a 2024 Sanlorenzo SL90A offered in immaculate condition, with a single-owner history and never chartered. Meticulously maintained by her original owner and full-time Captain and crew, she combines a highly desirable factory specification with extensive aftermarket upgrades.

Sanlorenzo's innovative asymmetric layout creates exceptional interior volume, with the portside walkaround elevated to the bridge level to increase interior beam by approximately three feet. The result is a spacious interior centered around a full-beam on-deck master, three guest cabins below, and a seamless connection between indoor and outdoor spaces.

CHAMELEON is a fully optioned Americas Edition yacht, U.S. flagged and duty paid. Highlights include CNC electric stabilizer fins, a louvered sunroof, hydraulic swim platform, stern garage, upgraded AV and sound systems, Starlink internet, upgraded AC chillers, water filtration, additional refrigeration, and a Williams tender.

Key Features
