ABOUT

Gatsby

LOCATION

Fort Lauderdale, Florida, United States

GATSBY is a 2021 Sanlorenzo SL96 Asymmetric, with exterior design by Bernardo Zuccon of Zuccon International Project and an interior by Marty Lowe Design. The asymmetric arrangement provides additional main-deck living space.

GATSBY accommodates eight guests in four ensuite staterooms. The owner's stateroom is forward on the main deck, with a dressing area, desk and ensuite, plus direct side-deck access. Below, the VIP has a centerline double berth, seating and a dressing table. Two additional guest staterooms have side-by-side single berths and ensuite facilities.

The main salon combines seating and dining areas, with aft-deck dining outside the salon doors. Additional outdoor spaces include the flybridge and foredeck lounge.

Twin MTU 16V 2000 M86 engines power the yacht. Prior listing data report a cruising speed of 22 knots and a maximum speed of 28 knots. Performance figures are reported and subject to operating conditions.

Historical equipment information is drawn from the March 2022 condition survey and prior listing records. These records do not establish current condition, service status or sale inclusion. Engine and generator readings are dated September 2025; current readings require confirmation.

Reported Work History

• 2023: Bottom paint reported in prior listing records

• 2023: Exterior upholstery reported in prior listing records

Tender and Toys

Tender and toy inventory and any sale inclusions are subject to seller confirmation. Photographs do not establish inclusion.
