LOCATION

Miami Beach, Florida, United States

ANOTHER ONE is a 2022 Sanlorenzo SX112, featuring exterior design by Zuccon International Project and contemporary interiors. Her semi-displacement GRP construction and generous 8.0-meter beam create an impressive balance of interior volume, performance, and contemporary Italian design. With a top speed of approximately 20 knots, a comfortable cruising speed of 10 knots, and a range of up to 1,600 nautical miles, she is well suited to both coastal cruising and longer passages.

Throughout the yacht, expansive windows and sliding glass doors bring natural light into the interior while creating a seamless connection to the surrounding deck spaces. Fold-out terraces extend the living areas outdoors, while the beach club offers an inviting connection to the water, complete with additional fold-down terraces and a spacious swim platform. Accommodations include four guest cabins for up to nine guests, comprising three double cabins and a twin cabin with a Pullman berth. A dedicated lower-deck lounge and gym provide additional space for relaxation and recreation, while separate crew accommodations for five ensure attentive service on board.
