Introducing the 2020 Sanlorenzo SX76 – A Standout in Progressive Yacht Design

We are proud to present this immaculately maintained Sanlorenzo SX76, delivered new in 2020 and still under the care of her original owner who also oversaw the build in Viareggio. As one of the most in-demand models from the acclaimed SX series, this yacht offers a rare opportunity to acquire a meticulously specified and exceptionally outfitted to Sanlorenzo' s forward-thinking design.

Fitted with €1,000,000 in custom upgrades, this SX76 stands as one of the finest builds in her class.

Designed to appeal to a buyer seeking the ideal blend of cutting-edge innovation and Italian pedigree, this yacht delivers a refined experience both underway and at anchor.

The SX76 seamlessly merges the best elements of traditional motor yachts with crossover functionality. Her open-plan layout creates generous indoor-outdoor flow, ideal for entertaining, watersports, or unwinding in complete comfort.

Contemporary interiors are appointed with high-end materials, designer furnishings, and state-of-the-art electronics, creating an elegant and welcoming atmosphere throughout.

SX76 #32 is powered by twin Volvo IPS1200 900hp engines (497 hours), delivering efficient cruising, a top speed of 22 knots, and a range of approximately 615 NM at 11 knots. Factory upgrades include CMC fin stabilizers, an additional generator, water maker, Volvo Docking Station in Cockpit, Digital Positioning System and a Williams 395 Jet Tender (69 hours) to name only a few.

Accommodations include four luxurious ensuite guest cabins sleeping up to eight, plus crew cabin for 2 enhanced service and comfort. Every detail from the expansive flybridge to the sophisticated main deck—has been thoughtfully considered to maximize both enjoyment and connection to the sea.

The SX76 is a yacht that is beyond comparison with any other model on the market and can only be appreciated in full through an onboard inspection. The yachts full build specification, service history and surveyor report are available for review.
