2026 Sanlorenzo SX88

The Crossover Yacht That Redefined the Market

The Sanlorenzo SX88 is one of the most iconic and in-demand yachts in the world — the original “crossover” design that blends the volume of an explorer yacht with the elegance and lifestyle of a luxury Italian motoryacht. With its unmistakable profile, open-concept architecture, and seamless connection from interior to exterior, the SX88 delivers a yachting experience that feels years ahead of its class.

Designed around the modern owner who values space, visibility, and versatility, the SX88 offers an expansive beach club, a loft-style salon with floor-to-ceiling glass, and a flybridge helm that maximizes living areas throughout the main deck. Every inch of the SX88 is purpose-built to enhance life on the water.
