The revolutionary Saxdor 320 GTC, an unrivaled blend of style, performance, and comfort. This exceptional boat combines the best features of the GTO and GTR models, resulting in a driving experience like no other. Powered by your choice of three Mercury engines, ranging from 300hp to 600hp, the Saxdor 320 GTC offers exceptional performance and efficiency. Opt for the single-engine option for a competitive price and low fuel consumption, or upgrade to the twin-engine option for the ultimate power and speed on the water. Step inside the spacious wheelhouse and discover a world of comfort and luxury. Designed to comfortably accommodate up to six passengers, this well-appointed area provides the perfect space to relax and enjoy your boating adventures. One of the standout features of the Saxdor 320 GTC is its innovative design that allows for easy movement onboard. With a full beam spacious wheelhouse and convenient access to the walk-around bow, you'll experience a level of freedom and flexibility like never before. The Saxdor 320 GTC is the epitome of style, performance, and functionality. Don't miss your opportunity to own this game-changing boat that has redefined the way we move on the water.
