ABOUT

Saxdor 320 Gto

This 2024 Saxdor 320 GTO brings Scandinavian design, 600 horsepower, and an unmistakable personality to a 32-foot boat built around enjoying the water.

Twin Mercury V8 AMS 300 outboards deliver 600 total horsepower, while the sleek hull and walkaround configuration create a combination of performance, accessibility, and open-air living. With a 10-foot-2-inch beam, the 320 GTO makes excellent use of its space, giving you room to move around comfortably and enjoy the boat from bow to stern.

What sets the Saxdor apart is its approach to boating. The convertible social layout and walkaround design make it easy to transition from cruising to entertaining, while the contemporary styling and thoughtful use of space give it a distinctly European feel. A 119-gallon fuel capacity and enclosed head add practicality to the experience.

From Biscayne Bay to Miami Beach, Key Biscayne, and the waters around the Florida Keys, this 320 GTO is right at home in South Florida.

Located at MarineMax Miami, this Saxdor offers a distinctive way to experience the water, backed by a dealership with sales, service, and parts resources. Contact our Miami team today to schedule your private showing.
