ABOUT

Saxdor 320 Gto

2027 Saxdor 320 GTO | Available NOW at MarineMax St. Petersburg

The Saxdor 320 GTO has been Saxdor's bestselling model for many years and is a highly appreciated global success story that is irresistible across the globe. It combines phenomenal design and concept with the absolute thrill of driving; the performance is simply fantastic. With two Mercury 300 engines, you can easily and smoothly reach speeds of over 50 knots. Despite its excellent drivability, the boat offers much more. It features a great socializing space, a full cabin for napping or spending the night, and a well-equipped galley kitchen for preparing lovely, lazy breakfasts.

Key Features

• Exterior Design - Saxdor 320 GTO with a T-top and walk-around deck is the first boat in the series, but two different deck variations will follow. All three versions share exquisite design, fast, powerful outboard performance, and a refined, economical hull shape. Maximum power will be twin 300 horsepower Mercurys while the single V8 engine with 300 horsepower is estimated to have a 40-knot top speed with cruising speed close to 30 knots. With twin 300 horsepower outboards, Saxdor 320 will achieve a top speed of well over 50 knots with an optimum cruising band between 20 and 40 knots.

• Exception Lines - Sakari Mattila, founder of Saxdor Yachts says: “I have always admired Italian design, American functionality, German quality, and French pricing. With the 320, the aim is to incorporate these attributes and combine them with the Scandinavian way of boating.”

• Outboard Power - The 320 GTO is the next step for Saxdor Yachts, with more new models to be announced in the coming months. The starting price with a single 300 horsepower Mercury V8 outboard. To secure your boat contact us.
