ABOUT

Saxdor 340 Gtwa

The Saxdor 340 GTWA is designed to offer both accessibility and comfort, creating an expansive space perfect for leisure activities and providing a safe area that ensures protection in all weather conditions. Thanks to its incredible versatility, with this new model customers won't need to choose between different experiences. Whether it's sunbathing, entertaining friends, or braving the elements, the new 340 GTWA offers an adaptable and expansive space designed for enjoyment and safety in any climate.

Key Features

• Cozy Comfort - The bright and airy full-standing wheelhouse features large glass sliding doors and an optional openable sunroof, flooding light into the cozy dinette with sofa that can slide back and forth electrically. The highly ergonomic helm station can be equipped with up to two 12-inch plotters and benefits from a lateral sliding door for easy access as well as a three-person sofa. An additional convivial space is provided by the spacious bow area that can accommodate up to 6 people, to enjoy the breeze or a sunset cocktail, with the versatility to transform the space into a sunbed. One of the standout and unique features of the Saxdor 340 GTWA is the optional electrically-operated aft glass, which can be opened to create a seamless connection between the wheelhouse and the aft deck, thus blending indoor and outdoor spaces in a way that is both sleek and functional.

• Generous Spaces - The lower deck includes a generous forward double cabin with a separate head. In addition, the optional aft cabin, which can be accessed by lifting the aft sofa, can also accommodate two people. Both cabins benefit from ample natural light from large windows, with the forward cabin lit through a roof hatch and a large side window.

• Efficiency - The new Saxdor 340 GTWA is crafted with a light yet rigid hull, made using vacuum infusion technology to ensure durability and performance. This model combines excellent seakeeping with efficient fuel consumption, making it easy and clean to drive and guaranteeing a smooth and high-performance cruising experience.
