ABOUT

Saxdor 400 Gtc

The Saxdor 400 GTC is engineered for twin outboard rigs with their unique naval architecture, guaranteeing an unforgettable journey every time. Featuring an innovative main deck design, the GTC, like its sibling, the GTO, maximizes its internal living space with a wheelhouse that extends to the full beam of the boat. Yet, the GTC takes luxury a step further with its vast, insulated glazing, creating a luminous, cozy interior that defies the elements. This layout connects directly to the side terraces, adding practicality and crafting a serence, private island experience while at rest.

Key Features

• Future of Boating - Step into the future with the 2026 Saxdor 400 GTC, a powerful and innovative boat set to revolutionize your time on the water. This high-performance vessel combines futuristic design with cutting-edge features to elevate your boating experience to new heights.

• Unparalleled Performance - Equipped with twin outboard engines, the 400 GTC offers exceptional speed and agility, ensuring you can navigate waters with ease and efficiency. Its stable yet agile hull design effortlessly cuts through waves for a smooth ride, while its lightweight construction enhances fuel efficiency without compromising strength.

• Sleek Design, Ultimate Comfort - The deep-V bow design not only enhances performance but also provides a comfortable journey for all on board. The spacious deck layout offers ample seating and lounging options, perfect for socializing with friends and family. Inside, premium upholstery, sleek finishes, and a well-appointed helm station combine functionality with modern style.

• Luxury Redefined - Meticulously crafted with attention to detail, the 2026 Saxdor 400 GTC exudes luxury and sophistication. Whether cruising on rivers, lakes, or the open ocean, this powerboat ensures a premium experience like no other.
