ABOUT

Saxdor 400 Gto

This stunning 2024 Saxdor 400 GTO combines aggressive styling, impressive performance, and exceptional versatility in a beautifully optioned package. Finished in Florida Blue and powered by twin white Mercury 350 V10 outboards, she offers an ideal balance of performance, comfort, and technology.

This GTO is loaded with desirable upgrades, including the Advanced JPO system with integrated bow thruster, making maneuvering in tight quarters and docking significantly easier. The 24 kWh lithium battery package provides additional onboard power capacity, while the upgraded navigation and audio packages enhance both functionality and enjoyment on the water.

Inside, the midship berth, forward and aft cabin air conditioning/heat, and enclosed aft area make this Saxdor equally capable of comfortable overnight stays and entertaining. The aft glass wall with an opening door and window, along with the aft glass gates, allows the cockpit to seamlessly transition between an enclosed and open-air environment.
