ABOUT

Saxdor 460 Gtc

2026 Saxdor 460 GTC | A Bigger Feeling on the Water | Fort Walton Beach, FL | Stock

Introducing the all-new 2026 Saxdor 460 GTC. A bigger feeling on the water.

The 460 GTC carries Saxdor’s distinctive profile into its largest and most advanced model to date. The flagship is a full-beam wheelhouse outboard yacht that can be entirely closed or entirely open. With the doors shut, it stays calm, bright, and breathable, with wide views from helm to dinette. Open it up and the lines disappear.

Now available in Fort Walton Beach, Florida, and ready for the Emerald Coast, from Destin Harbor and the Gulf to the sandbars and shallow backwaters. With a draft of only about 2.4 ft, it goes where deeper-draft boats can’t.

Key Features

- From Enclosed to Open: Step by step, the wheelhouse opens. Glass slides away, the roof moves back, and the terraces drop, taking the boat from calm and enclosed to one continuous main deck, connected to the surroundings.

- Signature Hull: Saxdor’s twin-step deep-V hull cuts cleanly through chop and stays composed as speed builds. It accelerates fast, steers smoothly, and runs efficiently at cruising speeds, reaching up to 50 knots.

- Multi-Cabin Comfort: A forward cabin is paired with the new twin mid-cabin. A cabin bathroom with a separate shower completes the layout. With the optional aft cabin, the layout becomes three cabins.

- Terraces Opened Wide: Saxdor’s fold-down terraces give the main deck its full width. Combined with the open wheelhouse, the space opens edge to edge and the sea becomes part of the setting.

- State-of-the-Art Helm: A sculpted, low-profile dashboard configured with up to three 16" Simrad displays. Surfaces stay clean and uncluttered, with essential controls placed exactly where your hands expect them, keeping your focus forward.
