Power & Performance

Twin Mercury 200s provide an ideal power package for the 255 LXF, delivering strong mid-range cruising efficiency, responsive handling, and confident offshore capability. The hull design offers excellent ride quality in choppy conditions while maintaining impressive stability at rest.

Mercury's FourStroke platform is known for quiet operation, low maintenance requirements, smooth performance, and fuel efficiency, making this setup highly desirable for both family cruising and serious boating applications.

Cockpit & Fishing Features

The 255 LXF was designed to seamlessly balance luxury cruising and serious fishing capability. Features include multiple insulated fish boxes, abundant rod storage, transom baitwell, raw water washdown, spacious cockpit layout, and premium helm ergonomics.

Forward seating with removable backrests creates a comfortable social layout for entertaining and cruising, while the fold-down aft bench maximizes versatility depending on the day's activities.

Luxury & Comfort

Scout's fit and finish set this boat apart from typical center consoles in its class. Premium upholstery, stainless steel hardware, integrated swim platforms, tempered glass enclosure, and upscale helm design create a refined boating experience rarely found in a 25-foot center console.

The enclosed head compartment adds significant comfort and practicality for family boating and full-day outings.

Ideal For

- Chesapeake Bay Cruising
- Offshore Fishing
- Family Boating
- Sandbar Entertaining
- Watersports

• Coastal Cruising

• Weekend Getaways

The 2020 Scout 255 LXF represents an outstanding opportunity to own one of the most respected premium center consoles in its class, combining luxury styling, offshore capability, and dependable Mercury power into a versatile and highly desirable package.
