ABOUT

Scout 260 Lxf

Introducing our all-new 260 LXF center console model. Performance meets function at a high level in this new 26' model. It comes standard with an integrated exposed carbon fiber T-top with fully enclosed windshields that complements the already sleek profile as well as provides protection from the elements, a forward lounge seat that might just offer the best seat in the house, a side dove door that provides convenient access on and off the boat, in-floor fish boxes for the catches of the day, and an extended walkable transom that adds further to the safety and convenience of the model. This model also comes standard with the Seakeeper Ride vessel attitude control system, and a step-inside console with porcelain head. Choose from multiple engine package options as well as upholstery and hull color choices to make it your own.
