ABOUT

Scout 277 Lxf

Step aboard the 2024 Scout 277 LXF and you'll immediately feel the difference craftsmanship makes. Finished in a striking Shark Gray hull with a crisp Scout White accent stripe and powder-coated bow rail hardware, this boat turns heads before you even leave the dock. Twin Mercury 200 HP 4-Stroke outboards give you the confidence to cruise or open it up when the mood strikes, while the recessed bow ladder and side boarding ladder make hopping in for a swim effortless.

Point the bow toward Great Egg Harbor Bay and let the 277 LXF show you why Somers Point is a boater's paradise. Cruise past the historic Somers Point waterfront, swing by the lively Bay Shore area, or make the short run out toward Ocean City's inlet for an afternoon of sun and saltwater breeze. With the Garmin 8610 display, B60 transducer, and Garmin VHF 315 radio onboard, you'll navigate the bay's channels and sandbars with total confidence, whether you're a local who knows these waters by heart or exploring them for the first time.

Once you've dropped anchor near a favorite sandbar, the comfort features really shine. The Grigio cushion package wraps the cabin and cockpit in a rich, contemporary look, while the helm seats with folding lean bolsters keep everyone comfortable at speed or at rest. The forward deck shade canvas gives you a break from the midday sun, and as evening falls, the Lumitec LED light bar sets the mood for a sunset cruise back toward the marina.

Practicality meets fun with the fully equipped leaning post station — complete with sink, faucet, and storage — plus tackle drawers, a trash can, and a 35-quart slide-out cooler that make snack runs and full-day fishing trips equally easy. Add in the deluxe stereo system for a soundtrack to your day on the water, and the 2024 Scout 277 LXF becomes more than a boat — it's your ticket to making the most of every sunny afternoon on the Somers Point waterways.
