ABOUT

Scout 380 Lxf

Cruising out of Kent Island, few boats turn heads quite like this 2019 Scout 380 LXF. Finished in a striking full black hull with a custom metallic accent strip, this center console isn't just built to fish and cruise the Chesapeake — it's built to arrive in style. Powered by quad 400hp Mercury Verado outboards in matching black, she has the muscle to get you from Kent Narrows out past Love Point and into the open Bay in no time, with plenty of power in reserve for a spirited run down toward Annapolis or across to St. Michaels for a sunset dinner run.

Step aboard and you'll find a layout designed for both serious anglers and leisurely weekend cruisers alike. The cockpit is rigged with stainless flush-mount gunnel rod holders, cranking outriggers, and powder-coated rocket launchers tucked under the hardtop, while a 100-gallon aerated transom baitwell and port/starboard fish boxes keep the day's catch fresh whether you're working the grass flats near Eastern Bay or trolling the shipping channel. When it's time to cool off, the hydraulic beach platform makes it effortless to ease into the water for a swim off one of Kent Island's quiet coves.

Comfort hasn't been overlooked either — real teak decking underfoot, a forward-facing pull-out transom bench, and a leaning post with customizable configuration give everyone room to relax between bites. Down below, the enclosed head with a 12,000 BTU air conditioner offers a welcome retreat on a hot Bay summer day, and the galley area is ready for snacks and drinks with a single-burner cooktop, microwave, and drawer-style refrigerator. At night, LED accent lighting and an underwater lighting package light up the marina at Kent Narrows or Bay Bridge Marina, turning heads at the dock just as much as she does underway.

Entertainment is just as well thought out, with a 10-speaker sound system powered by dual amplifiers and subwoofers, an LED television, and Bluetooth connectivity to keep the playlist going from sunrise runs past the Bay Bridge to sunset anchor-ups off Love Point. Whether you're chasing rockfish near the Eastern Bay, running the family to a waterfront lunch spot in St. Michaels, or simply enjoying an evening cruise along the Kent Island shoreline, this Scout 380 LXF delivers the kind of versatile, head-turning experience that makes Chesapeake boating unforgettable.
