ABOUT

Scout 400 Lxf

The revolutionary 400 LXF, a true masterpiece of innovation in the world of boating. This stunning model combines exceptional technology, unmatched performance, and luxurious styling in perfect harmony. From the moment you step on board, you will be amazed by the abundance of standard features, including the advanced SeaKeeper Gyro Stabilizer that ensures a smooth and comfortable ride. But what truly sets the 400 LXF apart are the award-winning options available. Prepare to be astonished by the electronically-actuated articulating rocket launchers, a true marvel of engineering. And if that's not enough, the convertible leaning post with a Kenyon grill, sink, and cutting board will take your on-water culinary experiences to new heights. Adding to its allure is the hydraulic port side beach platform, featuring synthetic teak that enhances the boat's aesthetics while providing a perfect spot for relaxing and lounging. Crafted with meticulous attention to detail, the 400 LXF boasts cutting-edge Carbon Epoxy Construction. This advanced technology, combining carbon fiber and E-glass in the epoxy infusion process, ensures a lightweight yet incredibly strong structure. Complementing this is the innovative Scout Stepped Hull Technology, delivering unmatched performance on the water. Step into the world of luxury with the 400 LXF – the pinnacle of our line-up, the epitome of elegance. Elevate your boating experience with the S-Class, where superior design, opulent appointments, and state-of-the-art technologies come together seamlessly. Experience the finest that boating has to offer with the 400 LXF – a true class leader.
