ABOUT

Sea Born FX22 Bay

2019 Sea Born FX22 Bay SE--2023 Yamaha 250

This exceptionally well-equipped 2019 Sea Born FX22 Bay SE is powered by a 2023 Yamaha 250 hp four-stroke with only 116 hours and Yamaha warranty coverage through February 17, 2028 .

Designed for serious inshore and nearshore fishing, this FX22 combines a spacious bay-boat layout with an extensive list of premium upgrades. The boat has been lift-stored and includes a 2019 EZ Loader tandem-axle trailer .

A major highlight is the Seakeeper Ride system , which automatically controls pitch and roll to improve comfort, stability, and overall ride quality. Additional performance equipment includes a hydraulic jack plate, twin Power-Poles, a 24-volt trolling motor with lithium batteries, and Garmin autopilot integrated into the Garmin display.

The helm is equipped with both Garmin and Raymarine multifunction displays, providing the captain with excellent navigation, sonar, and vessel information. A Wet Sounds stereo system delivers premium sound throughout the boat.

The layout offers excellent storage and fishing functionality, including two livewells, raw-water washdown, a removable cooler beneath the leaning post, and an additional in-deck cooler located in the forward casting platform. Custom flooring provides an upgraded appearance while making the boat easier to clean and maintain.
