ABOUT

Sea Fox 288CC

The 2021 Sea Fox 288CC is built for those who want to make the most of the Boston boating scene. Outfitted with powerful twin Yamaha 200FS outboards, this vessel provides reliable performance whether you're zipping across Boston Harbor, gliding past Spectacle Island, or making your way toward the iconic Boston Lighthouse. Navigating these local waters is effortless thanks to dual Simrad multifunction displays, a compass, and full digital Yamaha instrumentation at the helm, putting every detail and decision within easy reach.

The hull is designed with true New England conditions in mind—robust composite fiberglass construction, high freeboard for offshore confidence, molded nonskid deck surfaces, and a stainless steel rub rail to take on busy harbors and open waves alike. Dropping anchor for an afternoon swim or a picnic is made simple by the electric windlass anchoring system paired with a bow-mounted roller and thoughtful safety features.

Comfort and versatility are central to the deck layout. Multiple insulated in-deck fishboxes and in-floor storage compartments provide ample room for everything from a fresh catch to deck gear. You'll find plush seating throughout: a fiberglass helm seat with a leaning post and integrated tackle station, plush bow loungers with armrests for cruising around the islands, and aft bench seating or fold-down transom seating to create extra space when it's time to fish.

When the sun starts to dip behind the Zakim Bridge, the Sea Fox 288CC's LED navigation and cockpit courtesy lighting, pre-wired stereo system, and a fully enclosed marine head with sink let you extend your day on the water in comfort. Anglers will appreciate conveniences like the livewell, rod holders, transom bait prep space, and a convertible casting deck, making this Sea Fox every bit as ready for local adventures as it is for serious offshore fishing.
