ABOUT

Sea Hunt 225 Ultra

This 2017 Sea Hunt 225 ULTRA is a Houston angler's dream, built to handle everything from quiet creek fishing to open bay runs. A single Yamaha 200 HP four-stroke outboard gives her plenty of punch to get across Galveston Bay quickly, while the flush-mounted VHF radio and helm-mounted compass keep things simple and reliable at the console. A bow-mounted Minn Kota electric trolling motor adds precision boat control for easing up on fish without spooking them, and the stern-mounted Power-Pole shallow-water anchor lets you stick instantly in skinny water - perfect for working the flats around Redfish Island or Smith Point without ever dropping a traditional anchor.

The white fiberglass hull and matching hardtop with integrated windshield give her a clean, classic look, backed by stainless-steel bow and side railings for sure footing when you're moving around the boat. Tan upholstered seating throughout - removable bow cushions with backrests, an aft bench, and cushioned helm seating - means comfort is built in whether you're running out of Clear Lake at sunrise or idling along the Houston Ship Channel in the afternoon. Integrated rod holders along the hardtop, additional gunwale rod holders, stainless steel cup holders, and a bow anchor locker round out a cockpit that's ready for a full day of fishing around Trinity Bay or the Bolivar Peninsula flats.

Down below, the enclosed center-console compartment with its own access door and interior storage with a mesh pocket keep gear organized and out of the way, while cushioned forward-facing helm seating and removable bow and aft cushions make it easy to switch between a serious fishing trip and a relaxed family outing. When the sun starts to dip, integrated hardtop lighting and cockpit speakers keep the evening going, whether you're anchored up near Eagle Point or easing back toward the marina as the lights of Kemah come into view.

Whether you're chasing redfish along the Houston Ship Channel, poling the shallows near San Jacinto, or just enjoying a calm evening cruise past Kemah Boardwalk, this Sea Hunt 225 ULTRA is built to make every outing around the Houston area feel effortless. She's a capable fishing machine with just enough comfort to keep the whole crew happy on board.
