ABOUT

Sea Hunt Bx 25 Fs

This 2023 Sea Hunt BX 25 FS blends shallow-water versatility, family-friendly comfort, and confident performance into one platform built for everything the Tampa Bay area has to offer.

Powered by a Yamaha 300 HP outboard with integrated electric steering, this Sea Hunt is equally prepared for inshore fishing, island hopping, and relaxed afternoons on the water. The integrated fiberglass T-top with tempered glass enclosure, Yamaha CL5 touchscreen display, Bennett trim tabs, JL Audio sound system, freshwater system, underwater LED lights, deluxe leaning post with captain's chairs, and spacious bow seating create a layout that transitions effortlessly from casting for redfish to entertaining family and friends. Designed with Sea Hunt's signature Carolina flare and sharp bow entry, the BX 25 FS delivers a dry, comfortable ride while maintaining the shallow draft needed to explore waters that larger boats simply can't reach.

What makes the BX 25 FS stand out is its balance. Expansive casting decks, lockable rod storage, aerated livewell, and generous storage make it a capable fishing platform, while plush seating, thoughtful ergonomics, and an open layout ensure everyone onboard enjoys the day, whether a rod is in hand or not. It's a boat that adapts naturally to the way most owners actually use it.

From cruising Tampa Bay to exploring Egmont Key, fishing the grass flats around Fort De Soto, or anchoring off Shell Key for the afternoon, this Sea Hunt BX 25 FS is perfectly suited for the boating lifestyle that makes St. Petersburg one of Florida's premier waterfront destinations.

Buying the right boat is only part of the experience. Our MarineMax St. Petersburg team is committed to helping you enjoy every step of ownership, from your first showing to your first day on the water. Contact us today to schedule your private showing.
