ABOUT

Sea Hunt Gamefish 27

MarineMax St. Petersburg is proud to present this original-owner 2014 Sea Hunt Gamefish 27, powered by twin Yamaha F250XCA four-stroke outboards with only 570 hours.

This well-maintained Gamefish 27 has been lift-kept and benefits from a strong documented service history. The owner has comprehensive service records available upon request for prospective buyers, and the twin Yamaha F250s most recently received their annual service in late August 2026.

The Sea Hunt Gamefish 27 is designed to deliver a great balance between serious offshore fishing capability and comfortable family cruising. With twin Yamaha power, multiple livewells, Garmin electronics, an enclosed head, generous bow seating, and a removable aft bench, this boat is equally at home running offshore for a day of fishing or cruising with family and friends.

Original Owner | Lift Kept | Service Records

Finding an older offshore center console with original ownership, documented service history, and reasonable engine hours can be difficult. This Gamefish 27 offers all three, along with the desirable combination of twin Yamaha F250 power, Garmin electronics, multiple livewells, an enclosed head, and comfortable family seating.

Whether you're looking for a capable offshore fishing platform, a family boat for cruising the Intracoastal and visiting the islands, or a center console capable of doing both, this 2014 Sea Hunt Gamefish 27 deserves consideration.

The boat is located offsite from MarineMax St. Petersburg in Gulfport, Florida.
