GENERAL DESCRIPTION

This 28' Sea Ray offers a versatile combination of cruising comfort, entertaining space, and overnight accommodations in a manageable 28' package. With a 9'6" beam, the vessel provides a spacious cockpit and comfortable interior layout for day cruising, weekends on the water, or extended outings.

The cabin provides sleeping accommodations for four adults plus an additional small bunk, along with a head and shower. Air conditioning is available when connected to shore power, while the cockpit and swim platform provide additional space for relaxing and entertaining.

The vessel is powered by twin MerCruiser engines and features stern drives. Additional amenities include a camper cover, cockpit carpeting, Isinglass enclosure, swim-platform shower, and comfortable interior accommodations.

ACTUAL CONDITION

The owner reports the boat is in good working order and has been maintained by a marina in Cataumet, MA (Bourne) for approximately 20 years.

The port MerCruiser engine was replaced this year (2026) and is believed to have fewer than 30 hours. The starboard MerCruiser is several years older and is estimated at fewer than 150 hours. The owner estimates total engine hours remain under 1,000. Engine hours are approximate, as the hour meters were not reset when the engines were replaced. Both outdrives were removed and rebuilt last year, as has been done regularly in previous years. Both engines' interior and exterior outdrive mounting brackets were replaced approximately three years ago.

Additional features and updates include:

- Full camper cover, used only a few times

- Main five Isinglass windows replaced within the past five years

- Three upholstery pieces replaced in recent years

- Batteries replaced this summer

- Air conditioning with shore power

- Head with shower

- Additional shower at swim platform

- Sleeps 4 adults comfortably plus a small additional bunk

- Indoor/outdoor cockpit rugs in new condition

- Cushions and bedding kept indoors every offseason and remain in excellent condition

The boat has received relatively little use, which is the reason the original owner has decided to sell. Send in your best offers!!
