ABOUT

Sea Ray 270 Sdx

The 2020 Sea Ray 270 SDX is designed for families and friends ready to embrace the best of New Jersey boating. Outfitted with a MerCruiser ECT 6.2L MPI DTS Stern Drive engine, this vessel delivers impressive power and smooth performance as you cruise the sparkling waters of Great Egg Harbor Bay. Navigation is effortless thanks to a Digital Dash with Mercury Vessel View Link and SmartCraft Diagnostics—combined with Power Assist Tilt Steering and hydraulic trim tabs, you'll enjoy confident control whether you're passing under the Garden State Parkway Bridge or docking at Somers Point Marina.

Style meets substance with the Sea Ray Blue hull side and white bottom, beautifully complemented by Marine Midnight Blue canvas and a bimini top with boot—ideal for providing shade or shelter during sunny afternoons. Both cockpit and bow covers keep your spaces protected, while the rich brown flooring and SeaDek swim platform add comfortable footing for everyone aboard. The swim platform with undermount step ladder, along with a bow boarding ladder and anchor storage, let you anchor off nearby beaches and enjoy easy water access for swimmers or paddleboarders.

Inside, the 270 SDX makes relaxation easy. Plush ivory cockpit upholstery and Infinity woven vinyl flooring create a welcoming space that's as stylish as it is durable. Share drinks and snacks around the dedicated bow and cockpit tables, and take advantage of generous storage for your gear. Stainless steel navigation lights and a removable stern light make sunset cruises safe and inviting, while the Fusion Stereo SRX400 12V AM/FM keeps your favorite music playing as the day winds into evening.

Thoughtful amenities enhance every outing: an enclosed head compartment offers convenience for extended trips, lockable cockpit storage and door keep your valuables secure, and an air compressor helps inflate water toys for kids and adults alike. The Sea Ray 270 SDX is expertly suited for joyful weekends exploring local landmarks, relaxing dockside at Somers Point Marina, or dropping anchor for a swim in the bay. It's a blend of performance, comfort, and style—inviting you to create unforgettable memories along New Jersey's beautiful shoreline.
