ABOUT

Sea Ray 270 Sdx

They call it a "Deck Boat" but from the rub rail down she's a performer with incredible handling and rough water capability. Sea Ray designed a 6000 pound boat with a deep Vee 21 degree dead rise hull that can handle any chop and turns like a performance boat and still give seating for 15.

This is a LIFT KEPT SUPER LOW HOUR BOATwith the 6.2 L 350 hp upgrade with Mercruiser Bravo 3 Drive. It has a beautiful Sea Ray Horizon Blue Hull side with White Sport Tower. This boat was custom ordered with the best options including White sports tower, submersible swim platform, windlass and more. See the options list
