2024 Sea Ray 320 Sundancer Coupe (191 Hours)

"Lady Dye" is an exceptional example of a beautifully maintained Sea Ray 320 Sundancer Coupe. Loaded with desirable options and kept under cover since new, she is now ready for her next owner.

Finished in the stunning Quantum Blue hull color, Lady Dye combines the sporty performance of a day boat with the comfort and amenities of a much larger yacht. The upgraded 6.2L 350 HP engines provide excellent performance, while the hydraulic swim platform, climate-controlled cockpit, and thoughtfully designed interior make this 320 Sundancer equally enjoyable for entertaining, cruising, or overnight stays.

The fully functional bow seating creates an incredible space to enjoy the water with family and friends, while the spacious cockpit and luxurious cabin provide everything you need for extended days—or weekends—on the water.

The Sea Ray 320 Sundancer Coupe has become one of Sea Ray's most popular modern models for good reason. Lady Dye is a beautiful, well-equipped example that has been exceptionally cared for and is ready to be enjoyed.
